

# EARTH DAY 2019

April-22-25

In honor of Earth Day, Bill Brown PTA is holding a recycling week beginning, Monday, April 22-25. This year we are incorporating a "pay it forward" theme with some of the items we are collecting. We will be collecting these items all week long so you can drop them off or send them in any day that week. Bins will be set up in the front halls.

**OLD TOWELS & NEWSPAPERS-** These will be donated to the San Antonio Humane Society.

**BLUE JEANS-** These will be donated to St. Jude's Ranch for Children here in Bulverde. All sizes, youth and adult, girls and boys, are needed.

**MARKERS-** All used, dry, old, or no longer needed markers are welcome. Crayola has a recycling program called "ColorCycle" in which they partner with K-12 schools to collect and repurpose used markers.

**BIRDHOUSE RECYCLING COMPETITION** - PTA wants to see how creative your kiddos are!! We're having a competition to see who can make the best birdhouse out of recycled materials only. These will be judged by some

of our BBES teachers and staff. There will be an award for the best design and runner up. **get a Walmart gift card. All bird houses need to be turned in by Thursday, April 25th.**

**Winners will**
